Body, too

THE TIGER HUNT

Hi Tiger Hunters! When you're going on a tiger hunt with me, you'll have to be very cautious and have your tongue in the right place of your mouth. And that is in front of your lower teeth like this: Yeah, let's go! And say after me!

Yeah! -Yeah!

Yeah! -Yeah!

We're going on a tiger hunt

-We're going on a tiger hunt

We're coming to some grass

-We're coming to some grass

We cannot walk around it

-We cannot walk around it

We cannot walk under it

-We cannot walk under it

We've got to walk right through it

-We've got to walk right through it

We're coming to a swamp

We cannot walk around it

We cannot walk under it

We've got to walk right through it

We´re coming to a tree
We cannot walk around it
That is very strange
We´ve got to climb and climb it

We´re looking all around
We cannot see a single thing
Got to climb on down again

We´re coming to a bridge
We cannot walk under it
We cannot walk UNDER it
We´ve got to walk over it

We´re coming to a cave
It´s very dark inside
We´re feeling our way
We´re feeling something soft
We´re feeling something warm
We´re feeling something furry

A TIGER!!!!
(Do everything backwards)

-Finally at home!

HONKY TONK

Right leg out

Right leg back

Right leg out

And shake it all about

That's the way to do it

Do the Honky Tonk, yeah

That's what it's all about

Left leg out

Right hand out

Left hand out

Belly out

Long hair out

Big Butt out

IF YOUR EARS ARE HANGING DOWN (PARTY MIX)

If your ears are hanging down
You can always swing them round
You can tie a little bow
Or fifteen in a row
You can take them on your shoulder
Like a brave and merry soldier
If your ears are hanging down

Cheeks

Nose

Mouth

Hair
