GOOD DAY

An elephant from old Bombay

Radi-daj-dadi-daj-daj-day.

Fell in love one sunny day

Radi-daj-dadi-daj-daj-day.

She was so neat

She did the funk

And he caught her

By the trunk

They were so happy and so polite

You would see them shaking trunks all night

-Come on now!

Good day, good day

Good day, good day, good day

Good day, good day

Good day, good day, good day

I know a girl

From Isle of Wight

Radi-daj-dadi-daj-daj-day

And people say

That she is bright

Radi-daj-dadi-daj-daj-day

She read a book
About some germs
Who were contagious
And looked like worms
So when she greeted
Both high and low
She would do it with her right elbow

-Everybody!

Good day, good day
Good day, good day, good day
Good day, good day
Good day, good day, good day

I know a boy who's got the blues
He fell in love with both his shoes
They were so flashy Italian-made
And they were blue-suede and almost paid
He turned his back as though he'd leave
And he greeted people with his heel

-Sing along now!

Good day, good day
Good day, good day, good day
Good day, good day

Good day, good day, good day

I know a dog who roam the parks

And he is known for all his barks

One day he sat in a café

In walked a girl-dog, he said Olé

Then he said woof and bought her juice

And they'd greet each other nose to nose

-Altogether!

Good day, good day

Good day, good day, good day

Good day, good day

Good day, good day, good day

IF YOUR EARS ARE HANGING DOWN

If your ears are hanging down
You can always swing them ´round
You can tie a little bow
Or fifteen in a row
You can take them on your shoulder
Like a brave and merry soldier
If your ears are hanging down

Cheeks

Nose

Hair

SCHOOL IS OUT AND CLASS DISMISSED!

IN OUR LITTLE STREET

1.

I know a man who's pressed for time

In our little street

He runs to work each morning

In our little street

(Pant pant, pant, pant)

2.

I know a cat that's limping

She strained her little back paw

(Meooow, meooow)

3.

Miss Anderson's gone shopping

Her bags are all too heavy

(Pasta and tomatoes, burgers and potatoes)

4.

I know a man with a bowler-hat

He looks like Charlie Chaplin

(Strut along and twist your walking stick)

5.

In wintertime it's snowing
So, we'll have to go trudging
(Trudge along in the high snow)

6.

When all the snow has melted
Then we can play some hopscotch
(Hip-hop, hip hip hop...)

WHERE'S THE THUMB?

1.

Where's the thumb, where's the thumb

Here I am, here I am

How are you today, now

I'm okay today now

Run-a-way, Run-a-way

2.

Where's the index finger, where's the index finger?

3.

Where's the middle finger, where's the middle finger?

4.

Where's the ring finger, where's the ring finger?

5.

Where's the little finger, where's the little finger?

6.

Where is everybody, where is everybody?

Here we are, here we are
