HONKY TONK (PARTY MIX)

Right leg out

Right leg back

Right leg out

And shake it all about

That's the way to do it

Do the Honky Tonk, yeah

That's what it's all about

Left leg out

Right hand out

Left hand out

Belly out

Long hair out

Big Butt out

FINGERTWIST

If you're feeling low-down, sitting on a chair
Everything is gloomy and no one treats you fair
Put away your troubles and mess around your hair
Let me see your thumbs now, put them in the air

I'm wagging with my thumbs from side to side like this
Then my index fingers, easy as it is
All my fingers do the fingertwist
Twist is all you need and so hard to resist
A-ha-ha

I'm looking all around, what do you think I see
Many, many twisters, twistin' here with me
Keep on twistin' do the best you can
Everybody's twistin' -be a Chubby Checker-fan

Everybody's steaming, everybody's hot
Everyone is twistin' with everything they've got
Keep on twistin' every single day
When the evening comes then twist the night away

Two choruses

A-ha-ha

A-ha-ha

A-ha-ha

A-ha-ha

ONE CHILLY NIGHT

One chilly night night night

I sailed my ship

Across the waves-adi-waves-adi-waves

The sea was roaring

I looked around-adi-dound-adi-dound

But saw no ground-adi-dound-adi-dound

When I looked down-adi-daddi-daddi-down

I saw a fish

And that was YOU!!!!

One more time:

I looked around

But saw no ground

When I looked down

I saw a fish

I saw a fish

I saw a fish

-and that was youuuuu
